STONEY CREEK

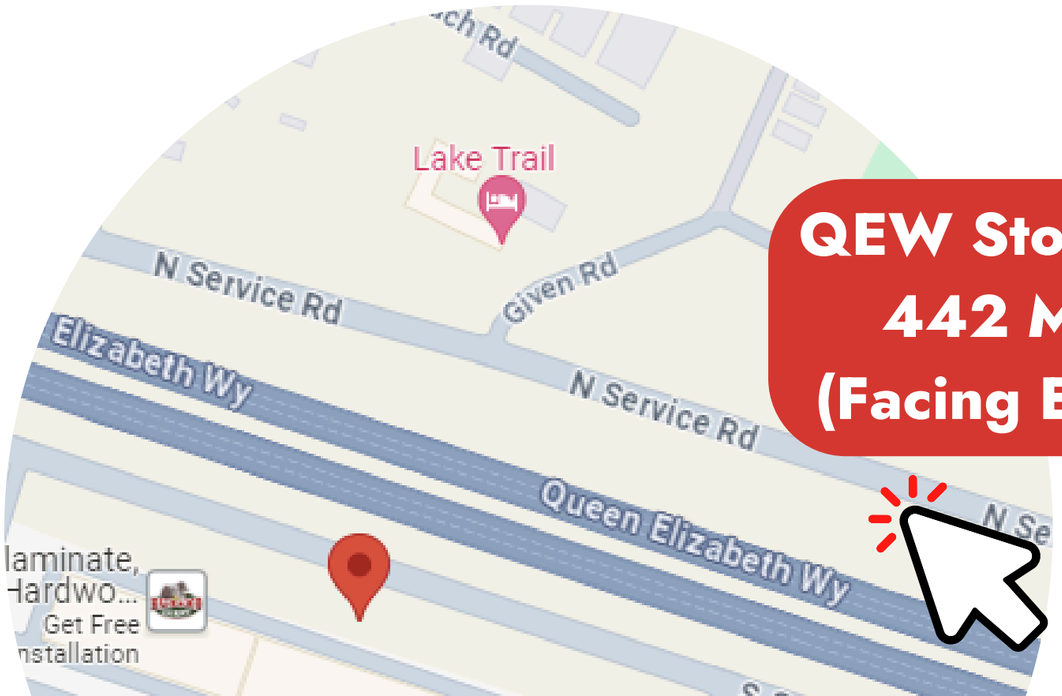

Offers outstanding visibility thanks to its frontage facing the QEW, one of Ontario's busiest highways, capturing traffic bound for both Toronto and the Niagara Region. With major commuter flow and commercial vehicles passing daily, your message here is seen not just locally, but by a wide regional audience. Its location in Stoney Creek is also well-connected, just minutes from Burlington and with easy access to Highway 403, making it ideal for reaching both residents and travelers. Advertising here means exposure in a prime industrial/commercial zone where many decision-makers, shoppers and business-drivers regularly travel.
